COMMUNICATION

Commissioner for Patents
 P.O. Box 1450
 Alexandria, VA 22313-1450

Dear Sir:

In response to the Communication mailed September 8, 2003, Applicant states that the reply mailed June 20, 2003 was meant to be fully responsive to the prior Office Action because the purported non-initialed and non-dated change in black pen altering the dependency of Claim 28 from claim 17-21 to 18-21 was not made by Applicant, thus, as requested, Applicant provides a new copy of the claims (the complete set) clarifying any intended changes to Claim 28:
